

WELCOME TO THE CHICHESTER QUAKERS INTER FAITH PLANNING GROUP

Our group exists to explore ways in which members of different faiths within the city of Chichester might usefully co-operate and form friendships. At present we form part of the Quaker meeting but it is hoped that we may develop an independent existence.

We have so far

- Arranged Jewish, Moslem, and Sikh speakers.
- Visited a Mosque, a Synagogue and a Sikh Gurdwara
- Held regular meetings between people of different faiths.

When you focus on their outward form,
You will see only differences between
The Muslim, the Christian and the Jew
Why not zoom in on the inner light
That they all share? Rumi.

Would you like to meet Chichester people from other faiths? **Please contact** Bill McMellon,
